RE: Site Deletion From National Priorities List
Homestake Mining Company Superfund Site

Dear Mr. Maggiore:

The U.S. Environmental Protection Agency (EPA) requests the concurrence of the State of New Mexico on EPA's intent to delete the Homestake Mining Company Superfund Site (Site) from the National Priorities List.

This letter serves as a formal follow-up to a conference call between our staff on December 20, 2000 concerning the site deletion. Please provide us your response in writing within 30 days ^{of} upon receipt of this letter.

We appreciate your continued interest in protecting the environment. If you have any questions about this matter you may call me or Petra Sanchez of my staff at (214) 665-6686.

Sincerely, *yours,* *your staff can call Mr.*
